

GIVE A GIFT OF JUSTICE

Make a monthly donation to the Campaign to End the Death Penalty in honor of a friend, family member, coworker, or organization. For birthdays, graduations, or just because, this is a gift that keeps on giving throughout the year!

Your gift will support the day-to-day organizing efforts of the Campaign to End the Death Penalty, a group that is working towards ending the death penalty in the United States. It has become all too clear that the death penalty system is broken. Over 118 innocent people have been released from death rows across the country. The truth is, no one knows how many other innocent men and women are languishing behind bars, awaiting their execution. As Monique Matthews, the sister of exonerated death row inmate Ryan Matthews, has said, "Justice has been denied for so long. It is up to us as citizens to make it known that we are not going to tolerate this. This is an ongoing fight and I have committed myself to aiding in the relief of the men and women Ryan has left behind."

We've come a long way in our struggle. From the commutations of all death sentences in Illinois in 2003 to the Supreme Court ruling banning the execution of juveniles, we are moving towards abolition, step by step.

Please support our struggle by giving a gift of justice. Those honored with a gift will receive a letter from the CEDP acknowledging your gift.
